## Webelos & Echo Hose Visits Troop Meeting

Two members of the Echo Hose EMS demonstrate how to deal with a severe leg injury to our Assistant Senior Patrol Leader Mike Y.

At our Troop meeting on December 4th a group of Webelos from Pack 27 visited our meeting. We had three skill stations plus a surprise visit from two Echo Hose EMTs. While the troop was being seated we all heard a scream from outside. Our Assistant Senior Patrol leader had just cut his leg with a small hatchet outside.

Our senior Patrol leader Andrew M., immediately called 911 and an ambulance just happened to be parked outside the Rec Center. We quickly learned this was just a pretend event to allow the EMT's to demonstrate how to bandage and care for a severe cut.

The Webelos learned that you never know what to expect at a troop meeting. After the first aid demonstration we had our weekly patrol meetings and began to make our patrol flags. At

the end of the meeting we had refreshments including deep fried Oreos.

### Snow & Pasta Dinner?

December 5th brought us our first snow storm and we all made it to the Shelton pasta dinner for our Council. Organized by our Scout Master, Mr. Mingrone we all had

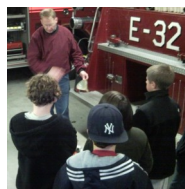

some good food while earning service hours by setting up, serving our guests or helping clean up!

## Troop Members Attend Shelton Troop Lock-in

On the night of December 12th our troop participated in the third annual Shelton Troop lock-in. All scouts participated in a number of events including swimming, dodge ball, board games and movies. Three merit badges were also offered. Fire Safety included a tour

of the Huntington Fire Station. Fingerprinting and col-

lections were also earned.

After pizza at midnight and snacks all night long the time went by really fast. Especially for our leaders!

## Troop Activities

- COURT OF HONOR  
DECEMBER 18, 2009
- CHRISTMAS DECEMBER 25, 2009
- NEW YEARS JANUARY 1, 2010
- KLONDIKE DERBY  
JANUARY 23, 2010
