## Housatonic Council Winter Camp 2010

Law Merit Badge Class. At Camp

From Friday February 12th to Monday February 15th Winter Camp was in session at camp Strang.

Troop 27 had 17 members attend to work on merit badges and spend Saturday night skiing at Mohawk mountain. If you have never been to winter camp it is not all fun and games. All day long many merit badge classes are setup to work on and complete badges.

All of the work is not done at

camp. Each badge had a list of requirements that had to be completed before camp. For the law merit badge we had to attend a court session. The scouts who wanted to earn the law badge attended the Derby court house where we met with a judge and attended a session of court.

Even the ski trip to Mohawk mountain was part of a merit badge class. We all worked towards snow sports merit badge. Below is a picture from our snow sports class.

We also had a movie night that was filled with popcorn and other snacks.

Finally at the end of the weekend on Monday afternoon we had a court of honor at a local fire house. All of the scouts received the blue cards for the completed or partial merit badges.

If you want to attend winter camp next year work towards your first class rank since that is required to attend.

## Troop Ski Trip to Berkshire East Ski Area

Our troop ski trip to Berkshire East in Massachusetts took place on Friday the 26th to Sunday the 28th.

Our trip started with a ride to the Red Roof Inn that would be our home for the next two nights. We were able to swim in the pool and even had a pizza party on

Saturday night.

On Saturday morning after breakfast we went to the mountain to get on our skis and spend the day skiing. The conditions were perfect with plenty of new snow. Several of the trails were left with about 2 feet of fresh snow. With all of the

trails open and no lines at the lift we were able to ski all day with only a short break for lunch.
